A login screen so that we can
verify each user's age and that
they attend the same school.

One page will be a map featuring all
of the events posted on the app.

Another page will be a formatted
list of all the posted events. Next to
each name we can see the review
rating of each user.

This page will be your personal info.
You cann add what classes you are
taking and your interests to get
personalized recommendations. From
here you can also view your own
rating and reviews left.
